Patient Safety Curriculum

July 14-17, 2008 / Chicago

Connecting Risk Management and Patient Safety

ASHRM builds upon its leadership in patient safety with the Patient Safety Curriculum – a unique program designed to help healthcare risk management professionals understand and apply their key contributions to improved patient care and outcomes.

Session I /July 14-15

- Identify external drivers upon patient safety initiatives
- Describe a “Just Culture”
- Review and apply human factors principles
- Discuss current patient safety theories

Session II /July 16-17

- Explore types of medical events
- Discuss the role of the investigation and various triggers
- Apply patient safety tools and concepts to an event scenario
- Explore how to maintain the energy for change

Who should take these sessions?

ASHRM’s Patient Safety Curriculum goes beyond explaining theories and best practices to patient safety practitioners. Faculty will show how all risk management professionals can support the delivery of safe and trusted healthcare. Continuing education credits provide another incentive.

What are the continuing education credits?

ASHRM is an approved provider of continuing nursing education by the Illinois Nurses Association and is authorized to award pre-approved Category II (non-ACHE) CE credit toward advancement or recertification in the American College of Healthcare Executives. Also, ASHRM programs are approved for CE credit toward fulfillment of the requirements of ASHRM designations of FASHRM (Fellow) and DFASHRM (Distinguished Fellow) and toward CPHRM renewal.

When and where will the sessions be offered?

The sessions will be offered July 14-17 at the Allerton Hotel Chicago, 701 N. Michigan Ave. on the city’s Magnificent Mile. The ASHRM discounted room rate is \$199. Attendees must make their room reservations at (866) 701-8111 by June 12.

What are the fees?

Tuition fees for each session are \$500 earlybird/\$550 regular for members, \$600 earlybird/\$650 regular for non-members. Earlybird registration discounts end June 16.
